About Our Charities

The **Knights of Columbus** was established in 1882 to provide a means by which Catholic men could support the Catholic Church, provide financial protection to protect their families, and engage in works of charity to benefit the less fortunate.

The **K of C Council 3073** is committed to serving our local Parish Communities, Holy Angels and Annunciation Churches. Efforts such as our Backstretch Pantry help ensure workers at Santa Anita Park do not go hungry.

We continue to take a personal interest in advocating for children with special needs. In addition to supporting the children of Holy Angels School and Annunciation Church, proceeds from the *4th Annual "A Swing and a Prayer" Golf Tournament* will benefit:

Founded in 1955, Speech and Language Development Center (SLDC) is a non-profit school and therapy center located in Buena Park and serving Orange, Los Angeles, Riverside and San Bernardino counties. They serve children and young adults who have special needs in language, learning and/or behavior. More than 200 staff members provide programs and services for around 300 students, ages 6 months through 21 years. The majority of their students have a diagnosis of Autism Spectrum Disorder, though many students have multiple handicapping conditions. All programs and services are available on campus.

SLDC's MISSION: Provide education and therapy to children and adults with special needs in an environment that nurtures growth, inspires achievement, and maximizes their potential.
